I hear about Paleo and that it has a lot of benefits, so I wanted to find more. I search for this kind of book, and this book was interested then others for me. I read it, and I can say that is a good book with great recipes, that have good instructions which you can follow and make a great meal. Also

Paleo, is great for everyone who want to easy and efficient. I recommend this book to all.

A book full of interesting recipes. Every recipe is health wood. At the end of each recipe you will find calorie counting of the plate, fiber, carbohydrates and sugar. Definitely a very thorough book.

Lots of great and very healthy recipes for getting back your health! These recipes are perfect for someone starting their paleo diet or even someone experienced just wanting new recipes and great information. Great recipes easy to make and well described to be able to understand even for someone who does not cook very often! Remarkable

Lots of crockpot dinner recipes. Very easy to cook. Follow the instructions in the book and put the ingredients in the pot, turn it on low heat or high heat and let it cook for up to 10 hours while you carry on other activities. Book includes 40 - 50 recipes including Brazilian curry chicken, Hawaiian pizza salad, green chicken chili et...
