## Customer Reviews

This is based on the old 2010 office not the newer office 2013. It was written on the spring of 2012. I do not recommend if you are trying to prepare for the exam.

Great enjoyed it very much.

Nice and helpful .

Another useless book from this offer. It is fairly specific training and as usual not for the beginner. Disappointing purchase. It is unfortunate that books description is not more accurate.
