# The Wedding Dress: Newly Revised And Updated Collector's Edition

## Synopsis

The quintessential book on the wedding dress, newly revised and updated in a collectorâ™s edition, is an exciting look at the variety of luxurious wedding dresses, which both celebrates and reveals their beauty, sophistication, and romance. From Jacqueline Kennedy to Grace Kelly, Oleg Cassiniâ™s designs are synonymous with the worldâ™s most glamorous women. The same electrifying elegance resonates with his magnificently crafted bridal gowns. This informative presentation discusses every aspect of the wedding dressâ "the ultimate expression of a brideâ™s personality and the focal point of her day. This book showcases a wide range of styles by such fashion luminaries as Cassini, Chanel, Dior, Armani, and McQueen, among others. The beautiful fashions, photographed by such notable photographers as Patrick Demarchelier, Benno Graziani, Horst, Arthur Elgort, Milton Greene, David LaChapelle, and Irving Penn capture the effervescent spirit that is associated with the wedding dress. The Wedding Dress begins with an overview of the sumptuous wedding gown, chronicling its history from royal weddings to todayâ™s celebrities. The book presents a variety of silhouettesâ "from elegant Empire-style floor-length gowns to flirty short dresses and sophisticated suits. The same electrifying elegance resonates, whether an informal ceremony, a formal evening affair or a spontaneous trip to City Hall. Also featured are some of the best weddings in the world, including celebrity, society, and high fashion weddings. This stylish look at the wedding dress is not only an essential resource for the bride-to-be but for everyone interested in fashion.
