The Florida Lawn Handbook: Best Management Practices For Your Home Lawn In Florida

Synopsis

Everything you need to know to keep your lawn looking its best! Written in practical language by turfgrass experts, this new edition is completely up-to-date with the most recent lawn management information. Color plates identify various grass types, weeds, diseases, and insects including those that are good for your lawn. Chapters cover selection, adaptability, establishment, and maintenance for each type of lawn; soil analysis and fertilization; yearly calendars for lawn care and culture; mowing, watering, and calibrating sprinkler systems and fertilizer spreaders; overseeding for winter color; preparing a lawn for drought and low temperatures; weed and thatch control; safe pesticide application and use; integrated pest management strategies; and complete, illustrated diagnostic information for weeds, diseases, insect problems, nematodes, and other pests.

Customer Reviews

There is no index. This makes it frustrating to use. For example, if you want information on chinch bugs, you have to go to the table of contents and locate Pest Management on page 103, then leaf through until you find chinch bugs on page 123. However, once you find what you want, the information is helpful.

This is one of the limited few books I could find on St. Augustine grass. This is the best good book on grass I could find and I would recommend it.

I'm trying to educate myself so that I can maintain my lawn myself. This book is very informative and I believe I am getting my money's worth out of it from the information it contains.

I've had this book before. Lent it out and never got it back...guess he liked it too. So I got another one. Great book. Very helpful.

Thanks so much for your good customer service -- excellent book, too! It is hard to find good books on lawn care; this one is very thorough.

I could not be happier with this book. It is everything you ever wanted to know about Florida grass.

I learned a lot about how to manage my st. augustine grass. Good bye lawn service.
