## Customer Reviews

I love this book. The text describing different parts of Canada plus the nostalgia provide great reading and the recipes are delicious with areal homemade feel!

This is a great recipe book. I was surprised by the size. It has a ton of pages with many recipes. I bought it as a gift for my Canadian Grandmother and she was very impressed with the recipes of her childhood and such.

This is a wonderful cookbook. Have made a few of the recipes and they have been very good. Although purchased as used, the book arrived in like new condition.

Excellent price...very well made
