Customer Reviews

I always enjoy books by Tabitha Barnett. They are always fantastic. I love this one with the beautiful floral designs. I like that the designs included are both medium easy and some are a little more difficult. I would highly recommend this pretty coloring book for all the colorers out there. :-)

I Love - Love ; Love this book! One of the things I like the most about Tabitha's books are there is usually no repeats of pages from other books! Her pages are full with lots of choices to make. i believe this book is well worth the money! Order yours today!!

I have purchased many of Tabitha Barnett's coloring books, and I love all of them! Of all of her coloring books, this one is my very favorite one! The lovely floral designs with birds, bees, butterflies, frogs etc. are exquisite! When I first looked through this book, I could not decide which picture to color, they are all my favorites! The mandalas as well are awesome, and no repeats of anything in any of her other coloring books, each one is very original! I recommend this book to all colorists, I promise you will love it. Attached below is the first picture I colored from this book!

Another win for Tabby! Another set of graceful drawings that can be as easy or detailed to color as you want them to be without distracting designs. Even though I posted a picture with a black background, the rest of the pictures have a white background so you can add your own background if you want.

This is an incredible book. I love all the pictures in this book. Everyone of them is a delight to color. They are cheerful and flowery and very lovely.

This book is wonderful. It gives a wide range of this artist's work. I love it and am looking forward to coloring every picture.
