Customer Reviews

This cookbook is amazing. Everything I've made from it is absolutely delicious. I don't tailgate. I don't even go to football games but this is the greatest cookbook for cooking for larger groups. With these recipes you can have most of your work finished by the time your guests arrive. I really love this cookbook.

I am a huge college football fan and this cookbook is fun. The stories are great, the recipes easy and fun. I have made two or three things out of it and the items needed are not unusual. I am enjoying reading the stories and cooking the recipe and telling the story to it when people are eating the food.

This book was recommended by a fellow coach's wife and after tasting the spiced pecan recipe from here I had to get it! This book has a HUGE amount of recipes for tailgating anytime of the day. Additionally there are wonderful stories that give you a true glimpse into the culture of tailgating in the the south. The author offers a variety of examples of how different schools have created deep tradition around football. If this isn't enough, there are also wonderful tips on packing a cooler, keeping things the right temperature and when to cook each recipe! This would be a great gift for any football enthusiast!

I had sworn off buying any more cookbooks, but I do live in the South and I saw The Southern Tailing Cookbook. Fantastic! I loved the stories of traveling to the different university football games for tailgating, the recipes, and the photo's. It will be my go to gift for the fall because you can use for everyday cooking as well!

I love this book. Great stories, great memories of my growing up in the south, and of course great pictures! The recipes are clear, easy to follow, and innovative. I am using this book for all of my gifts- Christmas, party hostess gifts, etc. I took it to a party last week and found out the the hostess grew up in Birmingham, AL. Susan W. Reno, NV

Very well-produced, handsome book combining 2 of America's biggest pleasures.. football and tailgating: food, friends..Well-recommended for good recipes and great photography.

What a fun book! So many delicious recipes - and they are great for more than just tailgating. We tried several at my family reunion, and they were all hits!

Gave this to two special individuals for Christmas and they thoroughly loved it. It's a fun read and features great recipes that are sure to please.
