Citizens Band Radio Handbook

Synopsis

This manual provides information about the Citizens Band Radio Service which is a license free form of two way radio communications for personal and business use. The author provides information about the equipment available, types of installations, reasonable range expectations, and many other aspects of CB Radio installation and use. If you are interested in two-way radio for yourself or your business this manual provides you with a good starting point.

Customer Reviews

I hadn't used is CB radio since 1976 for some reason I want to get into it again and this book brought me right up to speed.

Basic info helpful, could use more details. Overall it was helpful. Worth a dollar.

Informative book for beginners. Fast read.
